CAMPUS LIFE

Studying, eating, and just playing are all part of campus life. But what about other aspects such as sleeping, reading, meetings, partying, gossiping, worrying, rushing, arguing, competing and drinking (non-alcoholic beverages of course?!) which all are part of living at Elon. Each person has ample opportunities in choosing a lifestyle on campus which is strictly his own.

A week is comprised of one hundred sixty-eight hours. Out of that one hundred sixty-eight hours, usually only fifteen hours a week are spent in class. This leaves a tremendous amount of time for one's "campus life." Obviously campus life plays a major role in one's education. There are infinite possibilities as to how to coordinate your campus life. Campus life is as individual as you are.

A time to ourselves, a time for reflection. For seniors, only memories remain, for freshman a myriad of dreams. Everyone has a special spot, a certain mood, a meaningful place to wander to in dreams. A search for solitude whether it be cheering at a football game, taking a break from studying, or day-dreaming in a class. We all have the need for a time of reflection.

REFLECTION

Any state where the mind considers its own content.

SOMETHING NEW!!

Greek Week made its debut in the Spring of 1975 and proved to be one of the most exciting events to hit Elon's campus. Greek Week is the friendly competition among the sororities and fraternities on campus in various events such as the Chariot Race, egg throwing, broad jump, softball, and various other sports. With all the sororities and fraternities competing, with the exception of ITK, Phi Mu came in first for the sororities and Tau Kappa Epsilon took first for the fraternities. Certainly Greek Week was something new for Elon and surely it will be something lasting.

DRINKING ON MAIN STREET; SORORITY HOUSING; HARDEES;

Big news for the sororities this year has been new housing. Zeta Tau Alpha was the first sorority to move into their house this Spring with Tri-Sigma and Phi Mu expecting to move into their new homes this fall. This certainly marks a progressive era for the sororities on campus.

Other additions to the campus included the Staley Lake Gazebo, outdoor handball courts, and of course, the controversial parking lot behind Huffine's Texaco which caused considerable static among the students.

Much to the delight of students on campus, Garrison's on Elon College Main Street has been granted the privilege to serve beer. This certainly proved to be something new for Main Street and was welcomed by most who frequent Garrison's.

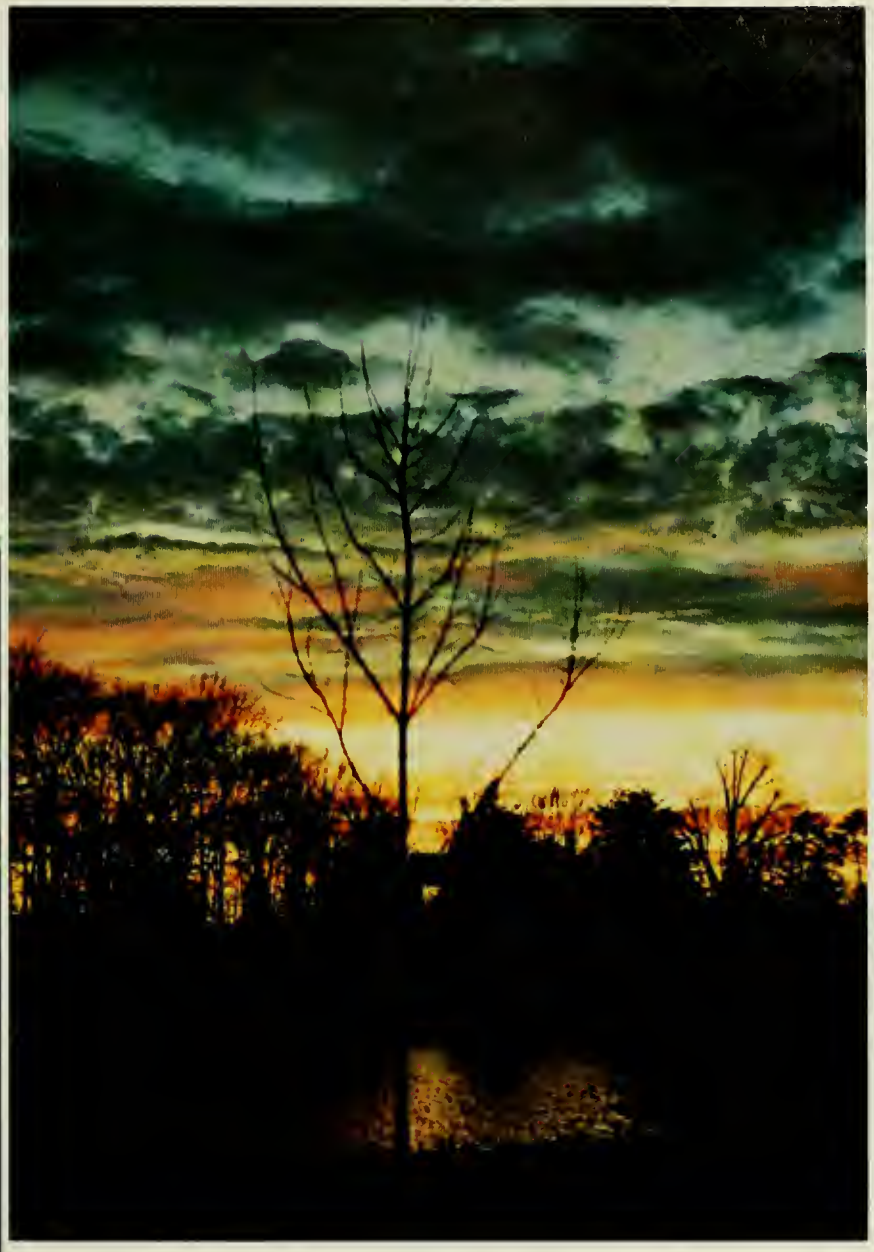
WINN DIXIE; HANDBALL COURTS: STALEY LAKE GAZEBO & GREEK WEEK!

Once again, something new: Students are not finding it necessary to travel to Burlington as a new Winn Dixie, Hardees, and record shop have been added to the town of Elon College.

REALITY . .

onl

vhen aroused



Lazily we neglect the natural beauty preserved through the years. Our supposedly mature minds are made aware of the reality only when aroused by pictorial representations such as the scenes above. Elon has it all, every season, everyday!

THE BELL

a link with tradi-
Bicentennial

With the passage of time changes and improvements have come. Buildings torn down, some renovated, and several new ones added throughout our history have completed the campus as we know it today. More recently, after years of inactivity bells once again are tolling this Fall as well as the clock running again, uniting us with campus tradition. In one brief summer Mooney andWhitley buildings were renovated, shrubs were stripped from West sidewalk, and parking lots were deleted in some places and added in others. Governments have been established in dorms and the library has gained the Spence collection.

TOLLS AGAIN

on & this year's

On the exterior one sees an Elon very much like the one of five, ten, or fifteen years ago. Although the campus is expanding each building retains its colonial character and blends neatly into the traditional landscape. Just as the face of America has changed over the past 200 years so has the face of Elon changed through the years. However, the thread of tradition still remains as the unifying and inspiring force in each.

The changes will not stop here but will continue to take place. And still the stateliness and dignity of the school remains and so it always must. Just as our nation stands on what was in the past and the improvements thereof, so will Elon always thrive.

GOING

There are always people going someplace on campus:

Class
the Union
Lab
the Cafeteria
Mailbox
the Mall

Home . . .

and then there's no one going anywhere on campus.

GONE

EXISTING

Looking for that all important letter, traveling in Britain, spectating at a football game, going to an 8:00 class when the weather says to stay in bed; all are a part of being in college. Elon is no exception with its studies abroad in Europe, that walk from Staley, Moffitt, or Harden, the separation from loved ones at home, and of course sports, whether you be a "jock" or just a spectator. These are just a sample of campus life at Elon.

THE DIPLOMA . . .

sensational weather, beautiful girls, an Elon victory and parties

Sunday morning, October 12, was like the quiet after the storm. The only people stirring were those who dragged themselves out early to see parents and friends off. Otherwise everyone remained in bed recovering from the weekend. The weekend had been a combination of Homecoming and Parents' Weekend. Friday night the activities got under way and the culmination came Saturday with the enactment of all plans.

The weather had been beautiful Saturday but the heat made the spectators miserable in their dresses, coats and ties, and corsages. The alumni were content having seen old acquaintances and an Elon football victory. The faculty and administration could pat themselves on the back that Sunday morning for having pulled off such a beautiful weekend. As parents departed they experienced mixed emotions about the weekend. They were sad about leaving and contemplating much they had seen over the weekend.

Students rolled over Sunday morning and were quickly reminded of just how late they came in and what a long, exhausting day Saturday had been. The aches and pains of the footballers were soothed by the memory of their outstanding performance the day before. Many held their heads and moaned, thinking about what a good party that had been Saturday night.

As the tired bodies arose, they gathered in dorms, at fraternity houses and in the cafeteria to reflect on the weekend proceedings. The combination of Parents' Weekend and Homecoming had been a thorn in everyone's side from the moment it had been announced. No one wanted to entertain parents and a date during the same weekend. Many worried that parents might feel uncomfortable at their parties and it would be hard for many to enjoy partying with their parents there. Also there would not be enough time to spend with parents during such a busy weekend. As the students reflected on it there was a general consensus that the weekend had gone smoother than expected but they wouldn't want the two combined in the future. Ralphael Clark had been crowned homecoming queen, a choice pleasing to almost everyone and the first male representative was rather well accepted. Everyone agreed it had been a good weekend.

By July 4, 1976, Americans will be overwhelmed by the avalanche of mass media and products devoted to the Bicentennial of this country's birth. Of course, Elon College will prove to be no exception. But we have much to celebrate — two hundred years of rich heritage.

This year's calendar has been packed with events open to the public on campus. Such distinguished American figures as George Washington, Thomas Jefferson, and Mark Twain have been portrayed in Whitley Auditorium by noted scholars and actors such as Richard Wordsworth, Howard Mann, and John Chappell. Other programs have included recitals, concerts, operas, and displays. Great effort has been placed in producing programs which take us back two hundred years to both crafts and culture and lead us up to the present, a celebration simply of the United States.

Linda Rondstadt: The concert that almost wasn't

A mere week before she was to appear in Elon's Memorial Gymnasium, Linda Ronstadt was only a rumor on campus. That week promised to be one of the busiest and most anxious for Entertainment Committee Chairmen Rick Coradi and Jay Tutwiler. Having finally completed the negotiations for the contract, they had much to do in preparation for the concert that Wednesday night, October 22. There was very little time to publicize the concert, it was on a weekday night, there were certain conditions of the contract to be met, and Linda Ronstadt herself was an unknown factor. A successful advertising campaign started the wheels in motion, as efforts to meet contract requirements for a fork lift and operator, stage equipment, and items such as three cases of Michelob beer, two bottles of Liebfraumilch, and various other expensive wines, were carried out by the night of the concert.

Things seemed to be going smoothly, when five minutes before she was to go on, Ms. Ronstadt declared that she felt that she and her band members had been harrassed by the Security and Police backstage. Therefore she did not feel she should perform. Apparently there had been a misunderstanding as to why one member of her band was seized and searched. Fortunately, tempers were cooled and Linda Ronstadt strolled onto stage and captivated the audience almost immediately with her smooth, mellow, dynamic voice as she sang hits such as "Heat Wave" and "Your're No Good." Prior to Linda's performance Goose Creek Symphony, with a major change in personnel, continued on their way to high energy country rock. Andrew Gold added to the fine entertainment which rounded out the "concert that almost wasn't."

The S.G.A. provided us with other big names during the course of the year. Howard Gray, Entertainment Chairman in the Spring of 1975, brought us such names as Elvin Bishop and Ozark Mountain Daredevils for the Spring Weekend crowd. Emmylou Harris added a country touch to round out that weekend.

A concert this past Fall which proved to be a disappointment in attendance but not in performance was the Whiz Kids. Despite the meager crowd of less than 75, they remained enthusiastic and energetic throughout the concert.

A completely new Judicial system for Elon!

In an effort to reconstruct a fairer Honor Court, a completely new judicial system was developed this year. Several new Councils were created such as the General Council, Honor Council, Judicial Review Committee, and Administrative Judicial Council. The first year proved to be a success with few problems developing and the end result; a better judicial system!

Members of the Honor Council are John Hill, Chief Justice, Don McLaughlin, David Woods, Lynn Charles, and Jane Hodges (alt.) The General Council includes Dona Wayler, Tim Moore, Danny Bass, Richard Thomas, Diedra Dana, Pam Andrews, and Mary Burgywn.

PHI MU

Phi Mu Fraternity, the second oldest college organization for women, dates back to 1852 when the Philomathean Society was founded at Wesleyan College in Macon, Georgia.

1975-76 was a year of first for Phi Mu. The Gamma Nu Chapter carried away the first place trophy in Elon's first Greek Week. Also Phi Mu sister Laurie Hafner was elected the first woman SGA President of Elon College.

Phi Mus have been active socially this year beginning with a victory party with TKE after Greek Week winners were announced. The sisters have also enjoyed parties with the brothers of ITK, Sigma Phi Epsilon, Kappa Psi Nu, and Kappa Sigma. Phi Mus sold popcorn to hungry football fans on Superbowl Sunday in January and helped the other Greeks sponsor the first annual Mid-Winters Ball to raise money for Easter Seals.

Phi Mu is the only sorority on campus to have a sweetheart, this year we selected Rick Renick as our 1976 sweetheart.

The members of Phi Mu are involved in various activities and organizations on campus. Three sisters perform as majorettes and drum major, one is the Assistant Attorney General, one a dorm government president, one is a cheerleader, others are members of the Liberal Arts Forum, yearbook staff, Communications media Board, Teacher Education Board, SAM, Student Activities Board, Public Affairs, and two sisters were elected to Who's Who in American Colleges and Universities.

1974-75 Officers were as follows: Janet Hovis; President, Sandy Watson; Vice President, Anne Fowler; Secretary, Debbie Carlson; Treasurer, Oksan Duruman; Phi Director, Ellen Joram; Rush Chairman.

Phi Mu Sisters: Martha Beasley, Cheryl Bounds, Cheryl Butler, Debbie Carlson, Sandra Cogle, Joan Davis, Malinda Day, Angela Drakulakos, Oksan Duruman, Anne Fowler, Robin Gerringer, Laurie Hafner, Roberta Hill, Ann Gayle Hounshell, Janet Hovis, Chris Jewett, Ellen Joram, Patricia Moorefield, Perry Lou Patterson, Vicky Reedy, Gretchen Roberts, Linda Robertson, Barb Savini, Denise Shelton, Pam Singleton, Debbie Vassilopoulos, Betsy Voss, Vera Warren, Ann Washburn, Susie Watkins, Sandy Watson, Donna Wayler, Barbara Wright.

SIGMA SIGMA SIGMA

Sigma Sigma Sigma is the largest sorority on the Elon campus with forty-three members. Among the Sigmas at Elon are two cheerleaders, the Student Government secretaries, an Honor Court alternate justice, four chosen to Who's Who, President of Alpha Chi, and Co-editor of the yearbook. Elon's 1975 homecoming queen is a Tri-Sigma and four other Sigmas accompanied her on the homecoming court.

1975 Officers: Debbie Cloninger — President, Bonnie Smith — Vice President, Debby Porter — Treasurer, Ann Shoffner — Secretary, Sue Ralce — Membership/Rush Director, Cheryl Moon — Education Director.

The members of Tri-Sigma are very active on campus. Parties during the year consisted of a mixer with Phi Delta Chi at UNC-Chapel Hill, smoker and formal Christmas dance with Kappa Sigma, a party at Calabash Lounge with ITK, a brother-sister party with Kappa Psi Nu, and a pajama party with TKE, an Elon first. In addition to parties with fraternities the spring banquet was held at the Sheraton Inn in Greensboro. The sisters celebrated Halloween together by taking a trip through a Haunted House and rented a suite at the Ramada Inn later in the year for a "P.J." party.

Tri-Sigmas nationwide sponsor facilities for children's hospitals through the Robbie Page Memorial. The Elon Sigmas had a Thanksgiving party for the children in the Chapel Hill Hospital and brought them candy, toys, and provided entertainment. A money-making project for Robbie Page Memorial is the annual Sigma Sigma Sigma "Big Man on Campus" contest which is held each homecoming. This year's "BMOC" was extremely successful for the sorority and the competition it inspired was enormous. Sigma Sigma Sigma again had an outstanding year and is anxiously anticipating the upcoming year when the girls will live in Elon's largest sorority house.

Sisters of Sigma Sigma Sigma Sorority: Kathy Bowman, Robin Boyles, Rhonda Cannaday, Ralphael Clark, Debbie Cloninger, Linda Cobb, Diane Cummings, Lynn Daniel, Karon DeClark, Donna DeHart, Jeanne Dutcher, Lucy Efland, Janet Foster, Wanda George, Jan Henderson, Jane Hodges, Deboranell Horton, Robin Hughes, Ina Iniquen, Jane Jeffress, Sharon Kavanaugh, Kim Kiger, Gail Lester, Kathy McLeod, Patti Mercer, Dana Miller, Cheryl Moon, Elizabeth Oaks, Wendy Pearson, Debby Porter, Sue Ralcewich, Cathy Rhodes, B.J. Zeta Tau Alpha is a social sorority on the Elon campus. The Zeta sisters had a busy year filled with many varied activities. The sorority enjoyed mixers with several of the fraternities on campus. They joined with the other Greeks at Elon in participating in Greek Week, and in helping sponsor the first Mid-Winters Ball. The girls of Zeta Tau Alpha do not participate in social functions solely. Among their many service projects of the year were a Halloween party for patients at Murdock Center in Butner, and the financial adoption of a child. Money-making projects for the sorority this year included selling lightbulbs, stationery, candy, cookbooks, football programs at Duke, and a spaghetti sale. To round out a very good year the Zetas moved into their sorority house at the beginning of the Spring semester making them the first sorority on campus to do so.

KAPPA PSI NU

Kappa Psi Nu Fraternity is a service, as well as a social organization of young men.

Kappa Psi Nu has experienced great success throughout the 1975-76 year beginning with homecoming activities at the Hilton Inn. The fraternity also had large turnouts for their three blasts at Calabash Lounge.

The Kappa Psi's have added a new color television to their lovely living room as well as losing the pinball machine again.

Kappa Psi Nu brothers were proud to have Pat Detomo as their sweetheart this year.

The brotherhood of Kappa Psi Nu has brought together great pride within the fraternity. Although a local fraternity, this is a pride which the brothers take with them wherever they go.

Halftime Homecoming Day, Ralphael Clarke, Kappa Sigma's Sweetheart, marched on the field only to be crowned Homecoming Queen. This was only the beginning of triumphs for the Kappa Sigs this Fall as Joe Harrison was elected Big Man on Campus.

Kappa Sigma's Pledge system of no hazing set the precedence for other fraternities to follow this fall as well as accounting for the largest pledge class for the Fall Rush. Leadership qualities of the Kappa Sigs certainly dominated the campus as almost one fourth of the Senate were Kappa Sigmas, three made it in Who's Who, and Chief Justice of the Honor Court was John Hill.

Partying certainly proved to be tops with a smoker and Christmas dance with Tri-Sigma, mixer with Phi Mu and flat out partying with Zeta, not to mention, all the fine parties at Steve Leach's and Bobby Tucker's house. Kegs of beer seemed to be consumed endlessly.

Founded September of '73, the Lambda-Lambda chapter of Kappa Sigma International Fraternity is the youngest of the nationals on campus, yet it already has set the precedence for others to follow: in pledging; leadership; and partying!!!

SIGMA PHI EPSILON

Sigma Phi Epsilon National Fraternity is this year celebrating its seventy-fifth anniversary, having been established in 1901 at the University of Richmond. Sigma Phi Epsilon is the second largest Fraternity in the nation with a national roll of over two hundred chapters and colonies. Our new headquarters building in Richmond boasts the largest professional staff of any fraternity nationwide. Among the services offered by this staff are scholarship funds, student loan programs, a traveling headquarters staff of counselors, leadership programs, and job placement opportunities.

Sigma Phi Epsilon's North Carolina Mu Chapter at Elon has the longest heritage of any fraternity on campus, having been established as Sigma Phi Beta in 1918. In 1971 Beta became a charter member of the Sigma Phi Epsilon National Fraternity System. Since that time we have established a housing fun, our little Sisters organization, an Alumnae Board, eliminated hazing, and we have over doubled our membership to thirty-eight brothers.

TAU KAPPA EPSILON

During the past year, Lambda Nu Chapter of Tau Kappa Epsilon Fraternity remained a leader among the Greek organizations at Elon. As Greek Week champs, TKE kept up its winning ways by taking the intramural football championship — the outlook for basketball and softball is, also, very bright. Tekes participated actively in student government and other campus groups.

Three members represented the local chapter by attending the TKE International Conclave at the Playboy Club in Lake Geneva, Wisconsin. A retreat for all the brothers was held at Baden Lake prior to returning to school in the fall. Other major social events included the Annual Alumni Homecoming Banquet and Dance, a Halloween costume party, a Christmas party, a Valentine's Day party, Spring Weekend, and several disco parties (featuring WTKE Radio). The Red Carnation Ball was held in Raleigh and topped off a very successful year.

The Elon College Liberal Arts Forum is a unique student organization which offers cultural enrichment to the school and community. This year the Forum has once again lived up to its high standards of excellence.

The Spring Symposium of '75, *The Three Visions of Life,* was highlighted by the *Play of Daniel* and the North Carolina Dance Troupe.

In the Fall of '75, the Forum co-sponsored the visit of Richard Wordsworth who presented two days of dramatic readings. His final evening performance was titled "An Interview with Thomas Jefferson." Mr. Wordsworth was Jefferson, of course. His visit was a grand success.

In February, the Forum presented "A Look at the Future" using films for the expression of this theme. This proved to be a good experience for all present.

The Forum is sponsoring Dr. William Blackstone from Georgia in March.

Our Spring Symposium for '76, *Style and Substance in the Southern Experience,* celebrates our Bicentennial by focusing on the South. This may prove to be the best Symposium yet!

EMANONS

The Emanons are a jazz ensemble made up of Elon students and faculty who have won worldwide acclaim. The group is directed by Jack White and Dr. David Bragg serves as assistant director. Marie Curry and Chuck Hutaff are the group's vocalists.

The Emanons started off the year by giving a homecoming concert by Staley Lake. During the course of the year they played at ten different high schools, various colleges, and social affairs. Before leaving for their European tour the musicians made a television appearance on the local talk show, "Sandra and Friends." At the end of January the Emanons left for a week stay in Europe. Highlights of their trip included playing for the Duke and Duchess of Luxembourg before an audience of five thousand, a concert at Schifflange, a performance at the Hotel Americana in Amsterdam and a BIM House Concert. The Emanons received a hearty welcome upon their arrival home. During the remainder of the year they entertained the Elon students in Whitley Auditorium and performed a concert with Herbie Mann. To say the least, Elon is quite proud of these talented performers.

The Elon College bands have been celebrating the spirit of '76 for the past year. Under the direction the dynamic duo of Professor Jack White and Dr. David Bragg, the bands have played and marched through another successful year.

The "Showband of the Carolinas" was led on the field by Ann Gayle Hounshell, the first female drum major of an Elon marching unit. The outstanding job of Ann Gayle Hounshell was illustrated by crowd reactions during each halftime performance. The majorettes gave the band a great starting line-up. This year's beauties were led by Hope Amick. The band performed at all the home football contests and gave the fans a big thrill with jazz, rock, and contemporary songs. The big band sound was supported by a jazzy, high-stepping marching unit.

In the spring the concert band helped celebrate the Bicentennial with a concert for the college and community. With a well-balanced organization playing the concert greats, the band celebrated the birthday of our great country.

INTRAMURAL COUNCIL

Intramural Council Members: Crystal Catlett, Kathy Bowman, Jeff Benton, B. J. Riddick, Duke Mobley. Not pictured: Mike Murphy and Coach Terry Wills.

The Intramural Council is a group of men and women who represent the student body in governing intramural sports. Questions of eligibility, protests, and rules are decided upon by the Council. Three male students and three female students make up the Intramural Council under the direction of Coach Terry Wills.

During the past year the Intramural Council opened up an Intramural Office in the gymnasium complex for student use. Equipment was made available to students to check out for recreational purposes and for intramural games. The office was open every weekday. This was a service the student body found very useful and enjoyable.

Women love to be active and play sports just as much as men do and should have the right to do so. This is what the members of the W.A.A. Council believe and are striving to achieve. The Council is made up of girls from each dorm, the sororities, and the officers. Officer elections are held each Spring at the annual W.A.A. banquet. At the banquet trophies are presented to the winning teams of each intramural sport, honors are bestowed on individual achievers, and All-Campus teams are presented. Women's intramurals are directed by the W.A.A. Council, however every female student is a member of the Women's Athletic Association.

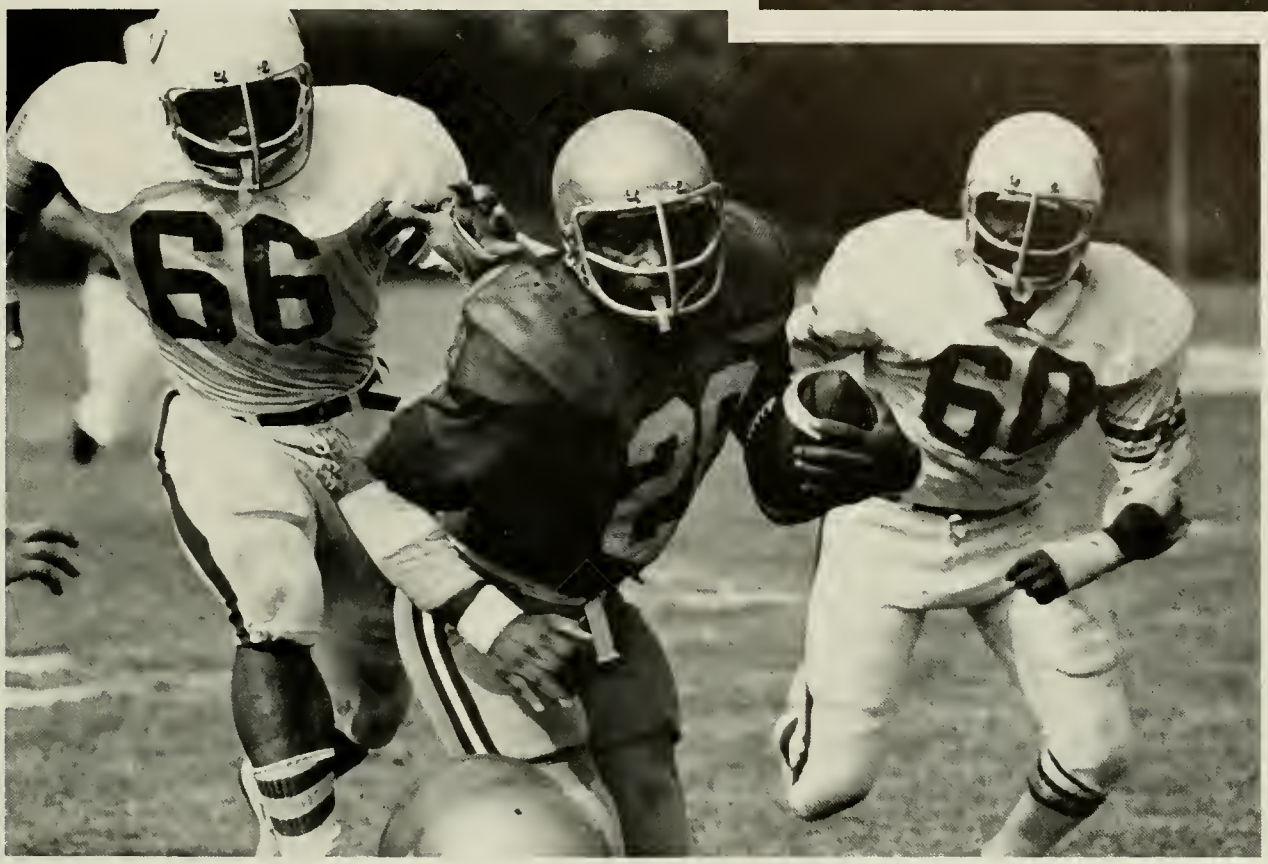
FOOTBALL *fourth in the new SAC 8*

losing, winning, frustrating, DISAPPOINTING



Football and winning have always been synonymous at Elon. But such was not the case with the 1975 football squad. The team ended the season with a 5-6 overall record and a 3-3 record in the new South Atlantic Conference. Disappointments surrounded the team, coaches, and fans. Pre-season critics predicted Elon would sweep the new SAC 8. However the team struggled to get through the Conference with an even record. After supporting the new SAC 8 and working extremely hard to organize it Elon coaches and administration were disheartened with the season's outcome. Coach Wilson, his staff and the team members went from two previously nationally ranked teams to a team which lost more than it won, which was another letdown for them. Losing was bad enough in itself, but out of six losses, five of those were by a total deficit of only twelve points.

and more

There were some outstanding moments during the 1975 football season. The team won an overwhelming victory against Bluefield State at homecoming. The gridders performed superbly in demolishing the Bluefield "Blues." Individual recognition was given to Don McLaughlin, Dave Bailey, and Ricky Locklear who made All-American Honorable Mention, All-Conference, and All-District. Don McLaughlin was chosen on the All-State team and Howard Ferguson was an All-Conference selection with a total of 1,069 yards rushing for the season.

Football Team Members: Mike Currin, Phil Beeson, David Wood, Stan Butler, Joe Jones, Tommy Eanes, Ron Reitzel, Duke Mobley, Nick DerCola, Martin Page, Lee Cooper, Alex McMillan, Tommy Hayes, Ernie Woods, Bill DeVaney, Charles Lindsay, Don McLaughlin, Prince Deese, Wes McLaughlin, Skip Lovejoy, Zene Fearing, Jack Utz, Randall Shelby, Jimmy Davis, Howard Ferguson, David Dodd, Tommy McKinnon, Doug Cox, Tom Gear, Derek Canaan, Sam King, Eddie Foust, Ken Cox, Kenny Washington, Bobby Costin, Tim James, Ricky Aughtry, David Carter, Jeff McKenzie, Ron West, Dave Bailey, John Thompson, Tim Kelly, Donovan Brown, Gus deSimone, Mark Howard, Clint Locklear, Danny Winecoff, Mark Heil, Danny Allen, Randy Reid, Roger Phillips, Andy Smith, Thomas Johnson, Ricky Locklear, Carl Cayton, Tom Colpo, Randy Oxendine, Bob Craig, Wayne Williams, Ricky Apple, Frank Williamson, Ronnie Stroud, Thomas Dodd, Jerry Alford, Gary Stafford, Diffy Ross, Stuart Melvin, Reggie White, Roland Wilson, John Richards, Scott Clendenin, Danny Bass, Greg Gunn, Keith Richardson, Joe Gro.

Devotion, enthusiasm, and originality as well as just plain hard work contributed to another successful year for the cheerleaders. New uniforms and a mascot were some of the highlights of this year's squad. Money making projects such as selling Homecoming Mums, popcorn balls, and a car wash helped with the purchase of the uniforms. Other activities included a workshop at Myrtle Beach, S.C. for a week and a judging of cheerleading try outs at a local Junior High School.

SOCCER *draws*

Two wins and nine losses are all that is left of the 1975 soccer season. Yet much more was accomplished and gained than just a miserable sounding record. Team members worked very hard with two hour practices everyday. Spectator interest was obviously greater as the number of fans attending each game steadily grew. A first for the team was the presence of two female members, Ellen Reap and Ellen Hickey. Another team member, Back Joe Curtis, was named to the All-Conference second team. The season was far from being totally unsuccessful. Coach Harris had few players who had competed inter-collegiately and was faced with the task of coordinating inexperienced players into a team. By the end of the season Elon definitely had a respected team.

it was a long hard climb for Coach Jackson and the women cagers

Coach Mary Jackson took over the head coaching position for the Elon Women's Basketball team this year. It was a tough job for the new coach who lost many of the team's previously outstanding performers. However there was plenty of talent and enthusiasm on this team and they used it to the fullest extent. It took the team a while to get on the track but the picture looks bright for the future.

The team was led by Teddy Ireland who was an All-State selection and Becky Currin who was named to the All-Conference team. Linda Francis and Lynn Nessetntt were the team's managers and Sue Henderson was the scorer.

ELON COLLEGE LIBRARY

With six downs and a little razzle dazzle a football game can be won. Many men and women tried it during the fall in their attempts to win the intramural football championship. Tau Kappa Epsilon won the coveted men's title. First Floor Staley and Virginia I battled for the women's championship in a game which lasted until darkness set in. The Staley girls came out the victors in that game.

As the days became colder and shorter intramurals moved into the gymnasium for Volleyball. Women's volleyball ended in Winter term with Zeta Tau Alpha upsetting the undefeated Tri-Sigma team to win the championship. In a game which was replayed due to a protest, Carolina defeated Iota Tau Kappa for the men's volleyball championship.

Following Volleyball an intense basketball schedule was begun by the men and women. The warm weather of spring brought students outdoors for Softball and Tennis. These activities rounded out an extremely successful intramural season for the students and faculty.

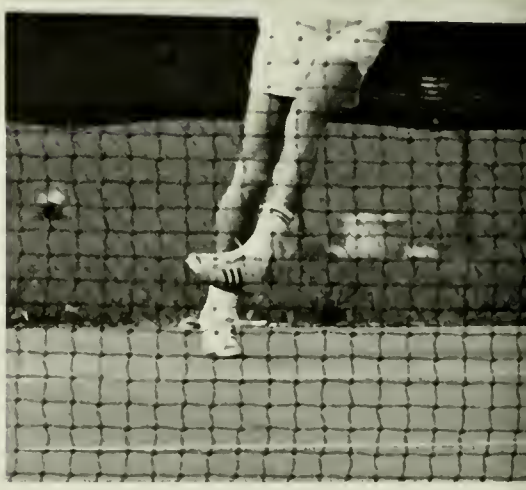
With two matches left for the Elon matmen in the 1976 season, they have already clinched the District 26 title. The team sports an 8-3 record which proves to be best of any Elon team this year. The team has been led by the efforts of Joe Harrison who is undefeated at this point in the season, and Danny Bass who returned this year to continue his winning tradition.

WRESTLING

Coach Don Kelly filled in as tennis coach last spring in the absence of Coach Jerry Tolley. Being a substitute coach certainly was no reflection on Kelly's coaching abilities as the team won fourteen matches and lost only three. The number one player on the Elon courts was Glenn Smith who had only four losses in seventeen matches. The team finished the season second in the district and third in the conference.



1975 Tennis Team: Front Row: Eddie Berryman, Collins Terry, Mike Deluise. Back Row: Bob Strange, Glenn Smith, Rex Brown, Coach Don Kelly.

TENNIS

1975 was another outstanding season for the Fighting Christian golfers. The golf team ended the season with a 22-3 record. David Braxton placed third in the tournament at Kitty Hawk and he along with Bill Overton were All Conference choices. It seems Coach Bill Morningstar knows only one way to play golf and that's the winning way. His team proved that once again last year.

Third Row: Thomas Moore, Earl McIndoe, Ron West, Randall Shelby, Jeff McKenzie, Jeff Benton, Danny Patterson, Shag Johnson. The team is coached by Clayton Johnson.

Coach Clayton Johnson and the tracksters finished the Spring season with a record of three wins and three losses. The team proved to be very strong in the sprints and hurdles which earned them their best finish in the Conference tournament in a number of years. The team finished fourth in the tournament thanks to a record 9.8 second finish in the 100 yard dash by Harold Carver. The 440 relay team turned in another school record-breaking performance by coming in second in the tournament relay race. Harold Carver was named to the All-Conference Track team for his outstanding performances during the season. The Track team had many more members during the 1975 season than previous teams had. This was one of many of the team's accomplishments for the year.

BASEBALL a season of adjustments

David Vaughn led the 1975 Fighting Christian baseball team to a 14-11 season with his outstanding batting performance. Vaughn ended the season with a .356 batting average and Doug Williams was right behind with a .355 average. The team sported a new coach in Bill Miller who made the switch from basketball to baseball with the change of the seasons. The team was disappointed with its overall record, however the members have no reason to be embarrassed by their performance. The team lost several close games and turned out few really bad performances.

Members of the team received several honors by the close of the season. Al Breed was the team's leading base stealer eluding his competitor's eleven times during the season. Breed was named to the All Conference team for his outstanding play as the team's left fielder. Another Elon team member, Scott Gorman, was selected to the Academic All-American team lauding his outstanding pitching season and scholastic achievements. Therefore there were many highlights to the 1975 baseball season.

Robert Kennedy once said, "Some men see things that are and ask why. I see things that aren't and ask why not."

In this, the Bicentennial year of our country let me urge all of you to seek out that which is wrong and attempt to make it right. Question your purpose and access your goals however large or small they may be, they are yours and maybe answers for all of us.

If we are to just sit back and watch the world from our safe and warm easy chairs, accepting the way things are we are being fooled by our own pretense. Until that day when equality and peace prevail can anyone of us be reasonably assured of our own contentment.

So, as we celebrate the bicentennial of our America let us not celebrate the past with its wars, prejudices, pollutions and pain but let us celebrate that future which may hold hope for us. Let us celebrate too, our possibilities in our futures and our hopes and dreams which may someday be.

To my friends, my school, my world — I give you all what I can for a bright and beautiful world.

Laurie Hafner
President S.G.A.

This page is in appreciation of the S.G.A.'s donation of a new typewriter to the *Phi Psi Chi* in recognition of the Bicentennial celebration.

Elon starts off its celebration of America's birth with the presentation of the Bicentennial flag by the cross-country team, October 11, 1975.
